Dear

I hereby write to you following our telephone conversation on Tuesday the 31st of January in relation to finalisation of pay out of your compensation award.

Our firm noted as Sagarrà I Montalvo S.L was founded in Barcelona on Thursday the 22nd of November 2012 and our offices currently have the finest professionals in the sector who understand that what we strive for above all, is achievements and full satisfaction of our clients.

We know our clients' needs and understand the importance of having a team specializing in each area, whether legal or business, enabling us to offer full and premium-quality service and what sets us apart is our commitment to the affairs we handle.

Sagarrà I Montalvo S.L has over ten years' experience in the sector and consists of a consortium of experienced and well-respected Lawyers, consultants and administrators, overseeing all aspects of civil and criminal law, tribunals and enforcement of judgments of compensation claims.

We are officially recognised by the High Courts of Barcelona, Madrid, Salamanca, Malaga, Las Palmas, Arona and Santa Cruz de Tenerife but our lawyers are authorised to operate in any Court of Law in Spain.

Amongst other services we provide, this particular division was especially founded as per the Courts' request; providing a team of English-speaking legal representatives to specifically assist British claimants.

Although payment issuance had been authorized by the Courts; it does now require dealing with certain legalities in order for you to receive your transfer to your UK account due to the new Brexit regulations.

Our company underwrites such activities and shall deal with all the particulars for a swift and conclusive finalisation.

Real world professionalism and rigor is at the heart of our performance and thanks to years of experience, we bring well-honed deftness and agility to the practice of mediation, adhering consistently to legal constraints yet procuring best results.

A decision for our firm to intervene was made by the Courts to ensure that recently imposed legislations resulting from Brexit are dealt with efficiently, as the UK leaving the EU has now created a significant shock for the International Banking system and for the Banking and financial services industry. The regulatory and legal framework that governs Banks and other financial institutions operating in, or transacting with, the UK is now a lot more complex and requires adhering to certain legalities and protocols.

We have therefore officially been appointed by the Santa Cruz First Instance Court No. 5 on Wednesday the 11th of January, to deal with the finalisation of pay out for the compensation awarded to you for the amount of 11,221 Euros without any complications.

Please note that remuneration for our services will be 380 Euros paid to us only after you receive your payout from the Court's Funds Office.

Only once you have received your payment safely, we shall invoice for you to kindly make payment to us.

I am pleased to inform you that our lawyers had on Thursday the 2nd of February instigated the enforcement of your payout with the Santa Cruz Court First Instance Number 5 reference BOE-S-2023-28, a copy of that official document is attached hereto. We now await to receive the Brexit forms and will forward those to you as soon as they are received.

As you have been informed; there will be a small Government Brexit stamping fee imposed and it will be legally reflected on the Brexit forms to be received.

Our experienced accredited mediators expect to receive these Brexit forms over the next few days and very much understand that you do not want any delays and will efficiently and swiftly deal with your payout within days of receiving those forms.

I will personally supervise this matter to ensure its final and successful conclusion.

In the interim, should you have any questions or queries please do not hesitate to contact me on the number below and I shall be more than happy to assist.

Kind Regards
